Florida EcoSafaris at Forever Florida>> St. Cloud

Within minutes of Central Florida's theme park fun, Florida EcoSafaris at Forever Florida transports their guests into Old Florida...country style. During their Overnight Horseback Safari, visitors will set out on horseback onto the ranch's 4,700 acres of pristine wilderness, led by one of their expert "cow-hunter" guides. Visitors are transformed into pioneers as they traverse scenic and historic trails, via horseback, on a three-hour journey to the campsite. During the journey guests experience diverse ecosystems ranging from Pine Flatwoods to wetlands, spot wildlife, and enjoy the pleasures of simpler times. Riding instruction is included so first-timers ages 12 and up are welcome.

Even city slickers will enjoy the trip as the overnight camping facilities feature restrooms, showers and limited power access. The safari includes horses, riding instruction, a campfire dinner, two-person tents, campfire breakfast, an expert guide and, upon returning to civilization, lunch in the Cypress Restaurant. The spirit of adventure and a big night sky full of stars are also included. Bring your sleeping bag and get ready for a truly unique Florida adventure. In addition to the camp out, a number of adventure programs, including a Zip Line are available.
