>>MUST SEE Destination!

Madison County is an eco-tourist's paradise. Whether it's bicycling "The Loop" a 135-mile trail through Madison County and its challenging hills and breathtaking farm-

land, the county's rails to trails facilities and designated bike lanes, make exploring by bike easy and enjoyable.

For those who prefer to do their sightseeing via the water, the 600-acre Cherry Lake, is the ideal spot for quality fishing and kayaking. Visitors who prefer a little more excitement to their water play, boating facilities, wakeboarding and water skiing are popular activities. Madison Blue Springs, one of the 18 first magnitude springs in the state, is located in Madison County along the banks of the Withlacoochee River.

Bring your binoculars and plan to see some mesmerizing sights. Madison County's forests, rivers and ponds attract hundreds of native species, such as the sand hill cranes, along with birds that migrate here seasonally. Located on the campus of North Florida Community College in Madison, the 20-acre Ladell Brothers Outdoor Environmental Center was developed to preserve the homes of as many species of plants and animals as possible.
