

# THE CONDO ALLIANCE

## *of the Tampa Bay Beaches*

The Condominium Alliance was formed in 2006 to bring together for the first time competing agencies for the benefit of the Tampa Bay Beach communities and their visiting tourists. The Condominium Alliance works together and is completely dedicated to supplying quality vacation accommodations.

The Alliance consists of 19 member companies and represents well over 3,000 condos between St. Pete Beach in the south to Clearwater Beach in the north.

Offering accommodations in full service, Condotels, or in well appointed, self-catering Resorts. Regardless of choice, all visitors are assured of the same excellent standards in each. The purpose of the alliance is to promote visitor confidence in our destination and in the unique Condo-cations found here in the St. Petersburg/Clearwater area-Florida's Beach!
