## Main Street Electrical Parade

Showcasing floats and characters appearing at Walt Disney World Resort for the first time, Disney's "Main Street Electrical Parade" returns with its joyous sights and sounds. Direct from Disneyland Resort and marking its first engagement in Florida since 2001, the cherished parade will be led by Tinker Bell waving from the basket of a magical balloon aboard a new float. Pinocchio and Snow White join the parade this summer aboard bright new floats. Disney's "Main Street Electrical Parade" is set for its summer-long nighttime premiere June 6 at Magic Kingdom.
