THE AMBIENCE!

COURTESY OF WALT DISNEY WORLD

As a couple, you've made the decision to share your lives together. However, this monumental moment needs faultless scenery to best reflect your style and commitment.

"We have expanded our offerings and designed a one-of-a-kind wedding program to fulfill those special requests."

The romance of the fairy tale is captured as a bride, dressed in a specially designed Cinderella gown, arrives in a horse-drawn carriage. A fairy tale major domo carries the wedding rings in a glass slipper, trumpeters herald the bride's entrance with favorite Disney fanfare and an elegant string quartet sets
