ATLANTIC CENTER FOR THE ARTS PRESENTS **THE 34TH ANNUAL IMAGES:**
 A Festival of the Arts, one of the top outdoor art shows in the Southeast,
JANUARY 30 & 31, 2010.

A treasured tradition for more than three decades, IMAGES is a juried fine art festival with 240 artists, live entertainment on the main stage and at three other venues, free kids art projects, and a diverse Festival menu. New Smyrna Beach, located on Florida's East Central coast, is listed as one of the "100 Best Small Art Towns in America" in the book by John Villani, and pulls out all the stops in welcoming IMAGES artists and patrons to town. The 35,000 attendees discover new artists in the beautiful outdoor setting of Riverside Park, the Intracoastal waterway providing a stunning backdrop. IMAGES' artists showcase their best work in painting, graphics, photography, jewelry, sculpture, glass, wood, leather, paper, clay, fiber, and fine crafts. The Festival is

as fun for children as their parents. Kids have the opportunity to participate in hands-on projects in the Creative Education tent, and the art of talented local students is featured at a Student Art Exhibit. IMAGES ties the performing arts with the visual arts, combining the best of art and music for all members of the community, as well as visitors from across the state and around the country. Visit www.imagesartfestival.org for more information, and www.nsbfla.com to turn your visit into a wonderful weekend getaway in celebration of the arts.
