

MORTON'S

Gourmet Market

While much of Florida continues to provide travelers with a once in a lifetime experience of thrills, the award-winning Gulf Coast community of Sarasota still knows how to create an atmosphere that encourages their visitors to slow down and savor their getaway.

In addition to Sarasota's world-renown beaches and cultural offerings, **Morton's Gourmet Market**, located within the city's popular Southside Village, has become a historic landmark and bustling family-owned destination of its own.

For more than 40 years it's the Market's outside bistro tables that line Osprey Avenue and Hillview Street that many have gathered to enjoy a homemade pastry with their early morning coffee, sat with friends and enjoyed a hot meal or sandwich from the deli. Or, simply stopped by to pick-up a hard-to-find dinner item.

With a diligence to offer shoppers only the freshest selection of items that include an extensive fresh meat and seafood counter, varied fruit and produce section, fine array of artisanal cheeses and pre-made soups and gourmet pre-made meal choices, Owners, Eddie and his son, Todd Morton, have made it their commitment to familiarize

themselves with their customers and provide them with "whichever item it is they may need."

In addition to the market's expansive grocery selection, visitors can enjoy an impressive wine assortment to accompany their meal, catering services and ongoing (and mouthwatering) bakery goods.
