

SIESTA DUNES

.....

Escape to the whitest, brightest sands in the world! The barrier island of Siesta Key, situated within minutes of Sarasota, is proud of its designation and welcomes visitors from throughout the world to savor this magical paradise.

.....

Home of sugar-white sand, so soft it's often compared to confectioners sugar, breathtaking sunsets and an abundance of "beach village" amenities that include dining and entertainment, there's no wonder this destination has been revealed as one of Florida's hidden secrets.

Situated within **Siesta Key's Gulf of Mexico beachfront**, the vacation condominium community of Siesta Dunes invites travelers to soak up this tropical island paradise amid swaying palms and lush foliage. Guests can relax in the onsite heated pool or spa, or meet new friends at the onsite tennis court. For those who prefer a quieter escape, a stroll along beautiful Crescent Beach or dinner cooked outdoors at one of the beachside grills is perfect.

Indoors, visitors can enjoy spacious and fully-equipped vacation units which range in size from two bedroom/two bath to three bedroom/two bath.
